If yes, please tell the story of how that happened and your plan to discharge your debt and avoid bankruptcy in the future.

Please have the following documents available when we come for the home visit. We will need to review and/or copy for the files to show financial stability as defined by state regulations:

2. A copy of a recent pay stub if employed outside the home.
3. A copy of employment verification letter from employer that includes current salary and length of employment

If you do not have the last one that was sent, you will need to visit Social Security's website ([www.socialsecurity.gov](http://www.socialsecurity.gov)) and print your Social Security Statement online. *(If you cannot obtain one, you will need to substitute copies of ten (10) years of tax returns. This requires you to provide a copy of each tax return for the past ten years and a transcript from the IRS for any missing years. Complete and submit form IRS 4506-T for missing returns. You can access this form by going to <http://www.irs.gov/pub/irs-pdf/f4506t.pdf?portlet=103> )*
